

Fourth Sunday in Ordinary Time

FR. MICHAEL SAYS.....

This **Monday** is the **feast of the Presentation of the Lord**. If you still have some Christmas decorations up at your house, don't worry - this was once considered the end of the Christmas season. Here's some interesting history from FranciscanMedia.org:

At the end of the fourth century, a woman named Etheria made a pilgrimage to Jerusalem. Her journal, discovered in 1887, gives an unprecedented glimpse of liturgical life there. Among the celebrations she describes is the Epiphany, the observance of Christ's birth, and the gala procession in honor of his Presentation in the Temple 40 days later.

Under the Mosaic Law, a woman was ritually "unclean" for 40 days after childbirth, when she was to present herself to the priests and offer sacrifice—her "purification." Contact with anyone who had brushed against mystery—birth or death—excluded a person from Jewish worship. This feast emphasizes Jesus' first appearance in the Temple more than Mary's purification.

The observance spread throughout the Western Church in the fifth and sixth centuries. Because the Church in the West celebrated Jesus' birth on December 25, the Presentation was moved to February 2, 40 days after Christmas.

At the beginning of the eighth century, Pope Sergius inaugurated a candlelight procession; at the end of the same century the blessing and distribution of candles which continues to this day became part of the celebration, giving the feast its popular name: Candlemas.

In Luke's account, Jesus was welcomed in the temple by two elderly people, Simeon and the widow Anna. They embody Israel in their patient expectation; they acknowledge the infant Jesus as the long-awaited Messiah. Early references to the Roman feast dub it the feast of Saint Simeon, the old man who burst into a song of joy which the Church still sings at day's end [in Night Prayer, a part of the liturgy of the hours].

On **Tuesday** this week, we will celebrate the **feast of St. Blaise** - a bishop who was martyred in Armenia in the early 300s.

Blaise is associated with illnesses of the throat because of a story in which a child was able to cough up the fish bone he was choking on at the saint's command. The use of candles in giving the blessing on this feast day is tied to the celebration of Candlemas the day before.

*May God bless you for your
goodness to His Church for the week of
Jan. 24th, 2026*

It is always important to remember that Catholics are not trying to practice magic. Magical thinking would say that if we say the right words and use the right candles, somehow our throats won't get sick. What we really do is a blessing that asks for the prayers of a St. Blaise, a human being who intercedes to the Lord on our behalf. The symbolism of the candles helps us to understand what we're doing when we pray.
